

Zandon R. Draper UVU Rodeo Scholarship

Zandon loved life and the competition that came with it. He loved people and pushed those around him to be the best they could be at whatever they were doing.

His work ethic was hard to beat. When you couldn't find him, you knew he was roping his dummy, working to become the best he could be. He showed the same dedication in wrestling—watching match after match to learn what he could improve or the best way to beat his opponent.

Zandon also loved helping those who were just starting a new sport. He wanted to give them the best foundation possible in whatever they pursued.

This scholarship honors Zandon's legacy by supporting a student who demonstrates the same dedication, work ethic, and willingness to help others in their pursuit of education and rodeo.
